Finding Hotels & Hostels

- Students:

we need a list of the expected number of students

A students who want to stay in walking distance

B students who want to stay in a hostel between bars and more

C just sleeping for free on Remili (boat), short term and early get up

- 
- For all other conference-attendees

boarding-house Spreepolis (you have to stay a couple of days)

Ibis Styles are the closest to HTW, Eisenwunderwelt but there are hotels, hostels, AirBnBs, holiday apartments all over the South of Berlin

- Could ICCCIA Org collect the preferences and requests of those who wish assistance?

3 important questions for performance night

- What time does the official program start?
- Do you an entrance fee of 5€ for everyone who is just watching the show?
- What streaming platform do you suggest for the live-covering?

3. Exhibitions

<https://www.iron-2022-germany.de/index.php/conference-the-event/exhibitions>

- **People curating a show, please:**

set a reasonable deadline to pass info:

- how many and what plinths do you need
- if people are sending stuff: soon, reasonable size, maybe with carnet, avoid extra tax
- what do we expect at all? PR? Timing?

Get in contact with the organizers on site:
